Pilot :	Member # :	Score :

Instructor : Please note the final score (subtract 3.0 points from 100 for each wrong answer) on the checkout form and file the quiz in the Pilot Records folder.

---

1 : The _____ accepts complete responsibility for assuring that the aircraft for the proposed flight is airworthy, legal, and safe in all regards.

2 : All club members agree to: Avoid _____ activities or the appearance of such activities with Club aircraft or members.

3 : Club SOPs require that Club aircraft shall not be flown less than _____ feet AGL or less than _____ feet above the highest obstruction within _____ of the flight path.

4 : No Member may offer transportation for a profit, although a Member may accept reimbursement for actual flight costs if _____.

5 : Notification of the Flying Club that a Club aircraft has been involved in an accident or incident is mandatory. What is the best way to initiate that notification?

A : First try to contact a Club Official. Dial 919-776-2003 (the Club number), choose Option 9, and this will automatically ring the Club officers, the Chief Flight Instructor, and the Director of Maintenance.

B : Call your flight instructor. Also post a report on the "General" channel of the Wings of Carolina Slack workspace. Be careful to include your name and phone number for a return call by a Club officer.

C : First call the Club number (919.776.2003) and select Option 2, which will ring the Flight Center. Leave a message and wait for a return call from a Club officer

D : Call the Club number (919.776.2003) and continue to call until someone answers the call.

E : Send an email to "accident@wingsofcarolina.org" and state briefly the "who, why, what, and where" of the accident and your name and phone number for a response from a Club official.

6 : No Member, including an instructor, may give flight instruction in a Club aircraft to a _____

7 : Student pilots who have not logged one hour of solo flight time within the preceding __ days may not solo in club aircraft until additional dual instruction by a Club Flight Instructor has been completed and recorded in the Member's record.

8 : Smoking is:

A : allowed in Club aircraft at the discretion of the pilot in command

B : permitted only during ground operations but not in flight

C : permitted in cruise flight only if all passengers consent

D : not permitted in or within 50 ft of Club aircraft.

9 : Expenses incurred by Members due to weather delays _____.

10 : A member may not schedule more than one weekend per month. (A weekend is defined as any consecutive _____ period from Friday at 1600 until Sunday at 1800.)

11 : Under no circumstances may a Member leave an aircraft elsewhere without first securing specific permission to do so from _____.

12 : No member may make or have pending more than ____ reservations at any time, except as approved by the Board.

13 : Members are expected to cooperate in facilitating the repair and return of Club aircraft to base....If the Member is unable to personally return the aircraft in a timely manner, the _____ is responsible for all costs associated with having the aircraft returned to base in a timely manner.

14 : The minimum fuel reserve for a Club aircraft operated by a student pilot flying solo is:

A : 6 gallons.

B : 1 hour.

C : Half tanks.

D : Depends if day or night.

15 : STUDENT PILOTS should take special note of items marked with a _____.

16 : The minimum safe altitude prescribed for aircraft over congested areas by the general flight rules of the FARs is:

A : 500 feet above the highest obstacle within one NM.

B : 1000 feet above the highest obstacle within a 2000-foot radius.

C : 1000 feet above the highest obstacle within a 1000-foot radius.

D : 2000 feet above the highest obstacle within 4 NM of course centerline.

17 : According to WCFC SOP VII- _____ "All Club pilots and instructors are bound to observe Club instructional programs and _____ as approved by the Board."

18 : Members are requested not to _____ on aircraft usage and should not schedule unless each scheduled period is fully intended to be flown.

19 : During which of the forecast periods would WCFC student pilot solo flight be allowed by the WCFC SOPs? Assume the standard WCFC student pilot weather minima. You are flying from Hickory Regional Airport (KHKY). The available runways are 01-19 and 06-24. Both are of adequate length and otherwise suitable. The current TAF is:KHKY 020535Z 0206/0306 30009 KT P6SM OVC090FM020800 28008KT P6SM BKN080FM021400 28009G17KT P6SM BKN045FM030300 29012KT P6SM FEW045

A : 1st period 020600-020800 wind 3009

B : 2nd period 0800-1400 wind 28008

C : 3rd period 0214-03030 wind 2809G17

D : 4th period 0303-0306 wind 29012

20 : consecutive Club Proficiency Checks may not be administered by _____ except by specific permission of the Club Chief Flight Instructor

21 : Wings of Carolina student pilots who have not logged flight time within the preceding _____ days may not solo in club aircraft aircraft until additional dual instruction by a Club instructor has been conducted and recorded.

22 : To act as PIC of a Club airplane the Club SOPs require:"Within the preceding _____, the Member must have satisfactorily completed a Club Proficiency Check in an airplane of a complexity level equal to or higher than that of the airplane to be flown."

23 : Using the weather report listed below what operations are authorized by the WCFC SOPs for a student pilot solo flight?KTTA 181051Z 28008KT 7SM HZ OVC040 20/16 A2987 RMK AO2

A : Traffic Pattern only.

B : Practice area and traffic pattern.

C : Cross Country, practice area and traffic pattern.

D : None.

24 : The minimum runway length requirement for Club aircraft is:

A : 1500 ft.

B : 2500 ft.

C : 3000 ft.

D : 3500 ft.

25 : Which of the following is NOT one of the five actions listed in the **Wings of Carolina Accident Policy and Procedure Manual** as the priority actions to be taken on the ground at the scene of an accident involving a Club aircraft?

A : Notify local authorities as appropriate (only if required)

B : Assist in notification and reporting to FAA and/or NTSB as required by Club authorities

C : Notify Club authorities in all cases

D : Determine and accomplish actions which are immediately necessary to assist injured people

E : Secure the aircraft to minimize the chance of fire or further damage (if appropriate)

F : Speak to any media representatives on the scene to best represent the Club and correct any incorrect information before it can be published or broadcast.

26 : No student may operate a Club aircraft with anyone else aboard other than a _____.

27 : According to the WCFC Flight Standards:"Club policy is to land Cessna single-engine aircraft with __ degrees of flaps for normal landings..."

28 : The WCFC Instructor Proficiency Program provides credit toward the use of club aircraft to encourage proficiency for any instructor who provides and logs _____ of dual flight or ground instruction given to members in a calendar quarter?

29 : Any pilot who has not logged one hour of flight time within __ days must be checked out by a Club Flight Instructor before flying Club aircraft.

30 : The WCFC phone number is 919.776.2003. After you call that number, you are offered a series of options. Which option is the Emergency Number that will ring Club officers, CFI, and the Club Director of Maintenance.

A : Option 1

B : Option 2

C : Option 3

D : Option 4

E : Option 9
