

WCFC Instructor SOP Quiz

Review before : 2026-08-26

Quiz ID : 23047

Instructor :		Date :
Pilot :	Member # :	Score :

Instructor : Please note the final score (subtract 3.0 points from 100 for each wrong answer) on the checkout form and file the quiz in the Pilot Records folder.

- 1 : A member may not schedule more than one weekend per month. (A weekend is defined as any consecutive _____ period from Friday at 1600 until Sunday at 1800.)
- 2 : Wings of Carolina student pilots who have not logged flight time within the preceding _____ days may not solo in club aircraft until additional dual instruction by a Club instructor has been conducted and recorded.
- 3 : Any pilot who has not logged one hour of flight time within ___ days must be checked out by a Club Flight Instructor before flying Club aircraft.
- 4 : No Member may offer transportation for a profit, although a Member may accept reimbursement for actual flight costs if _____.
- 5 : No Member may give flight instruction in a Club aircraft to a _____ unless specifically allowed by a Board action.
- 6 : Club pilots are expected to have adequate knowledge of the aircraft flown by them. The Club written quiz (for type checkout) satisfactorily completed (open book grade above ___%) is considered evidence of adequate knowledge.
- 7 : According to the WCFC Flight Standards (19) Speeds to Fly: "When flying Club aircraft, Club Flight Instructors and Club pilots should standardize on the speeds _____."
- 8 : No Member, including an instructor, may give flight instruction in a Club aircraft to a _____
- 9 : Members are expected to cooperate in facilitating the repair and return of Club aircraft to base....If the Member is unable to personally return the aircraft in a timely manner, the _____ is responsible for all costs associated with having the aircraft returned to base in a timely manner.

- 10 : Unless otherwise specifically approved by the Chief Flight Instructor or the Board, close formation flight in Club aircraft is _____.
- 11 : Student pilots who have not logged one hour of solo flight time within the preceding ___ days may not solo in club aircraft until additional dual instruction by a Club Flight Instructor has been completed and recorded in the Member's record.
- 12 : According to the WCFC Flight Standards (21) Proficiency Check: "As required by Club SOP II (1)(f) _____ shall complete a Club Proficiency Check consisting of the items listed below."
- 13 : All club members agree to: Avoid _____ activities or the appearance of such activities with Club aircraft or members.
- 14 : According to the Wings of Carolina Flying Club Accident Procedure Manual, which of the following is NOT among the information generally expected to be reported to the FAA on an initial report by a club official?
- A : Aircraft Type and N number
 - B : Pilot Name (and Certificate Grade and Ratings if known)
 - C : Name and contact information of our aviation insurance broker and underwriter
 - D : Number and Severity of Injuries
 - E : Incident Location
 - F : Indication that Club is handling details and will keep the FAA informed, or will abide by FAA or NTSB directives if so requested
- 15 : Notification of the Flying Club that a Club aircraft has been involved in an accident or incident is mandatory. What is the best way to initiate that notification?
- A : First try to contact a Club Official. Dial 919-776-2003 (the Club number), choose Option 9, and this will automatically ring the Club officers, the Chief Flight Instructor, and the Director of Maintenance.
 - B : Call your flight instructor. Also post a report on the "General" channel of the Wings of Carolina Slack workspace. Be careful to include your name and phone number for a return call by a Club officer.
 - C : First call the Club number (919.776.2003) and select Option 2, which will ring the Flight Center. Leave a message and wait for a return call from a Club officer
 - D : Call the Club number (919.776.2003) and continue to call until someone answers the call.
 - E : Send an email to "accident@wingsofcarolina.org" and state briefly the "who, why, what, and where" of the accident and your name and phone number for a response from a Club official.

- 16 : The minimum fuel reserve for a Club aircraft operated by a student pilot flying solo is:
- A : 6 gallons.
 - B : 1 hour.
 - C : Half tanks.
 - D : Depends if day or night.
- 17 : No member may make or have pending more than ____ reservations at any time, except as approved by the Board.
- 18 : According to WCFC SOP VII- _____ "All Club pilots and instructors are bound to observe Club instructional programs and _____ as approved by the Board."
- 19 : A Club Instructor may take off and land a Club aircraft from the right seat. If a member is not a Club Instructor, he or she may be authorized to take off and land from the right seat by whom?
- A : his or her Club Instructor
