

WCFC Licensed Pilot SOP Quiz

Review before : 2024-07-19

Quiz ID : 9348

Instructor :		Date :
Pilot :	Member # :	Score :

Instructor : Please note the final score (subtract 3.0 points from 100 for each wrong answer) on the checkout form and file the quiz in the Pilot Records folder.

1 : A Club Instructor may take off and land a Club aircraft from the right seat. If a member is not a Club Instructor, he or she may be authorized to take off and land from the right seat by whom?

- A : his or her Club Instructor
- B : Any Club Instructor in the course of training for the CFI certificate
- C : The Board of Directors of the WCFC
- D : The WCFC Chief Flight Instructor
- E : A Designated Examiner

2 : In the event that a representative of the FAA or other government agency requests information regarding the pilot of a Club aircraft, the Club will disclose to the representative the _____, _____, _____, and _____ for the pilot shown on the schedule as having custody of the aircraft at the time in question.

3 : Which of the following are among the five actions to be the first priority if you are on the scene or a participant in an accident involving a WCFC airplane?

- A : Remove the aircraft battery to reduce any chance of a fire.
- B : Speak to any media representatives on site to best represent the WCFC and correct any misunderstandings about the accident.
- C : Immediately phone the Greensboro FAA FSDO at (866) 835-5322 to report the accident, seek guidance, and begin the notification process.
- D : Determine and accomplish actions which are immediately necessary to assist injured people
- E : If possible without undue risk, immediately remove all official documents from the aircraft, including manuals, airworthiness certificate, registration and any pilot logbooks.

- 4 : According to the Wings of Carolina Flying Club Accident Procedure Manual, what determines whether an accident or incident is required to be reported to the NTSB (National Transportation Safety Board)?
- A : CFR 91
- B : Notification is necessary only if demanded by local law enforcement.
- C : Notification is required if an insurance claim will be filed.
- D : CFR 49, Part 830.5
- E : Notification is determined solely by the WCFC Chief Flight Instructor
- 5 : Club pilots are expected to have adequate knowledge of the aircraft flown by them. The Club written quiz (for type checkout) satisfactorily completed (open book grade above __%) is considered evidence of adequate knowledge.
- 6 : Notification of the Flying Club that a Club aircraft has been involved in an accident or incident is mandatory. What is the best way to initiate that notification?
- A : First try to contact a Club Official. Dial 919-776-2003 (the Club number), choose Option 9, and this will automatically ring the Club officers, the Chief Flight Instructor, and the Director of Maintenance.
- B : Call your flight instructor. Also post a report on the "General" channel of the Wings of Carolina Slack workspace. Be careful to include your name and phone number for a return call by a Club officer.
- C : First call the Club number (919.776.2003) and select Option 2, which will ring the Flight Center. Leave a message and wait for a return call from a Club officer
- D : Call the Club number (919.776.2003) and continue to call until someone answers the call.
- E : Send an email to "accident@wingsofcarolina.org" and state briefly the "who, why, what, and where" of the accident and your name and phone number for a response from a Club official.
- 7 : No member may make or have pending more than ____ reservations at any time, except as approved by the Board.
- 8 : Unless otherwise specifically approved by the Chief Flight Instructor or the Board, close formation flight in Club aircraft is _____.
- 9 : No steep turns, stalls, _____, or minimum controllable airspeed (Vmc) or any maneuver which exceeds a 45 degree bank or a 20 degree pitch may be initiated which would result in return to straight-and-level flight at an altitude below ____ feet AGL.

- 10 : Club SOPs require that Club aircraft shall not be flown less than _____ feet AGL or less than _____ feet above the highest obstruction within _____ of the flight path.
- 11 : "Spins are _____ in Club aircraft.
- 12 : All club members agree to: Avoid _____ activities or the appearance of such activities with Club aircraft or members.
- 13 : Expenses incurred by Members due to weather delays _____.
- 14 : According to WCFC SOP VII- _____ "All Club pilots and instructors are bound to observe Club instructional programs and _____ as approved by the Board."
- 15 : Any pilot who has not logged one hour of flight time within ____ days must be checked out by a Club Flight Instructor before flying Club aircraft.
- 16 : Club Accident policy is to accomplish all actions required by _____ and to comply with all legal responsibilities as required.
- 17 : According to the WCFC Flight Standards:"Landing patterns should be rectangular and at least a ____ mile stabilized final approach is expected."
- 18 : The _____ accepts complete responsibility for assuring that the aircraft for the proposed flight is airworthy, legal, and safe in all regards.
- 19 : No Member, including an instructor, may give flight instruction in a Club aircraft to a _____

- 20 : The minimum safe altitude prescribed for aircraft over congested areas by the general flight rules of the FARs is:
- A : 500 feet above the highest obstacle within one NM.
 - B : 1000 feet above the highest obstacle within a 2000-foot radius.
 - C : 1000 feet above the highest obstacle within a 1000-foot radius.
 - D : 2000 feet above the highest obstacle within 4 NM of course centerline.
- 21 : The WCFC phone number is 919.776.2003. After you call that number, you are offered a series of options. Which option is the Emergency Number that will ring Club officers, CFI, and the Club Director of Maintenance.
- A : Option 1
 - B : Option 2
 - C : Option 3
 - D : Option 4
 - E : Option 9
- 22 : According to the WCFC Flight Standards:"For night landings where no vertical guidance is available, a minimum altitude of ____ feet above touchdown zone shall be maintained until short final so as to assure that all unlighted obstructions are cleared."
- 23 : No Member may give flight instruction in a Club aircraft to a _____ unless specifically allowed by a Board action.
- 24 : To act as PIC of a Club airplane the Club SOPs require:"Within the preceding _____, the Member must have satisfactorily completed a Club Proficiency Check in an airplane of a complexity level equal to or higher than that of the airplane to be flown."
- 25 : A member may not schedule more than one weekend per month. (A weekend is defined as any consecutive _____ period from Friday at 1600 until Sunday at 1800.)
- 26 : Members are expected to cooperate in facilitating the repair and return of Club aircraft to base....If the Member is unable to personally return the aircraft in a timely manner, the _____ is responsible for all costs associated with having the aircraft returned to base in a timely manner.

27 : Club Proficiency Checks may not be administered by _____ except by specific permission of the Club Chief Flight Instructor.

28 : Members are requested not to _____ on aircraft usage and should not schedule unless each scheduled period is fully intended to be flown.

29 : No Member may offer transportation for a profit, although a Member may accept reimbursement for actual flight costs if _____.

30 : Smoking is:

- A : allowed in Club aircraft at the discretion of the pilot in command
- B : permitted only during ground operations but not in flight
- C : permitted in cruise flight only if all passengers consent
- D : not permitted in or within 50 ft of Club aircraft.
