

WCFC Licensed Pilot SOP Quiz

Review before : 2025-08-09

Quiz ID : 14550

Instructor :		Date :
Pilot :	Member # :	Score :

Instructor : Please note the final score (subtract 3.0 points from 100 for each wrong answer) on the checkout form and file the quiz in the Pilot Records folder.

- 1 : According to the WCFC Flight Standards:"For night landings where no vertical guidance is available, a minimum altitude of ____ feet above touchdown zone shall be maintained until short final so as to assure that all unlighted obstructions are cleared."
- 2 : No member may make or have pending more than ____ reservations at any time, except as approved by the Board.
- 3 : To act as PIC of a Club airplane the Club SOPs require:"Within the preceding _____, the Member must have satisfactorily completed a Club Proficiency Check in an airplane of a complexity level equal to or higher than that of the airplane to be flown."
- 4 : No steep turns, stalls, _____, or minimum controllable airspeed (Vmc) or any maneuver which exceeds a 45 degree bank or a 20 degree pitch may be initiated which would result in return to straight-and-level flight at an altitude below ____ feet AGL.
- 5 : No Member, including an instructor, may give flight instruction in a Club aircraft to a _____
- 6 : According to the WCFC Flight Standards:"Landing patterns should be rectangular and at least a ____ mile stabilized final approach is expected."
- 7 : Members are requested not to _____ on aircraft usage and should not schedule unless each scheduled period is fully intended to be flown.

- 8 : The WCFC phone number is 919.776.2003. After you call that number, you are offered a series of options. Which option is the Emergency Number that will ring Club officers, CFI, and the Club Director of Maintenance.
- A : Option 1
B : Option 2
C : Option 3
D : Option 4
E : Option 9
- 9 : No Member may offer transportation for a profit, although a Member may accept reimbursement for actual flight costs if _____.
- 10 : Club SOPs require that Club aircraft shall not be flown less than _____ feet AGL or less than _____ feet above the highest obstruction within _____ of the flight path.
- 11 : Club pilots are expected to have adequate knowledge of the aircraft flown by them. The Club written quiz (for type checkout) satisfactorily completed (open book grade above __%) is considered evidence of adequate knowledge.
- 12 : Which of the following are among the five actions to be the first priority if you are on the scene or a participant in an accident involving a WCFC airplane?
- A : Remove the aircraft battery to reduce any chance of a fire.
B : Speak to any media representatives on site to best represent the WCFC and correct any misunderstandings about the accident.
C : Immediately phone the Greensboro FAA FSDO at (866) 835-5322 to report the accident, seek guidance, and begin the notification process.
D : Determine and accomplish actions which are immediately necessary to assist injured people
E : If possible without undue risk, immediately remove all official documents from the aircraft, including manuals, airworthiness certificate, registration and any pilot logbooks.
- 13 : Landing on a runway shorter than _____ feet is prohibited in Club aircraft unless specific permission has been granted by the Chief Flight Instructor or the Board of Directors.
- 14 : All club members agree to: Avoid _____ activities or the appearance of such activities with Club aircraft or members.

- 15 : Notification of the Flying Club that a Club aircraft has been involved in an accident or incident is mandatory. What is the best way to initiate that notification?
- A : First try to contact a Club Official. Dial 919-776-2003 (the Club number), choose Option 9, and this will automatically ring the Club officers, the Chief Flight Instructor, and the Director of Maintenance.
 - B : Call your flight instructor. Also post a report on the "General" channel of the Wings of Carolina Slack workspace. Be careful to include your name and phone number for a return call by a Club officer.
 - C : First call the Club number (919.776.2003) and select Option 2, which will ring the Flight Center. Leave a message and wait for a return call from a Club officer
 - D : Call the Club number (919.776.2003) and continue to call until someone answers the call.
 - E : Send an email to "accident@wingsofcarolina.org" and state briefly the "who, why, what, and where" of the accident and your name and phone number for a response from a Club official.
- 16 : Club Accident policy is to accomplish all actions required by _____ and to comply with all legal responsibilities as required.
- 17 : The _____ accepts complete responsibility for assuring that the aircraft for the proposed flight is airworthy, legal, and safe in all regards.
- 18 : According to WCFC SOP VII- _____ "All Club pilots and instructors are bound to observe Club instructional programs and _____ as approved by the Board."
- 19 : Any pilot who has not logged one hour of flight time within ___ days must be checked out by a Club Flight Instructor before flying Club aircraft.
- 20 : According to the WCFC Flight Standards: "Instrument Competency Standards include the execution of all maneuvers to reasonable _____."
- 21 : Expenses incurred by Members due to weather delays _____.

22 : Smoking is:

- A : allowed in Club aircraft at the discretion of the pilot in command
- B : permitted only during ground operations but not in flight
- C : permitted in cruise flight only if all passengers consent
- D : not permitted in or within 50 ft of Club aircraft.

23 : According to the WCFC Accident Procedure Manual, the duties of the Club official in responding to a Club pilot who has experienced an incident or accident include all of the following EXCEPT:

- A : to call the pilot back for support and reassurance.
- B : to assure that appropriate officials have been correctly notified.
- C : to advise the pilot regarding additional inspections/opinions before further flight of the aircraft.
- D : to assist the pilot in correctly assessing the situation with regard to the seriousness of the incident. (Obtaining full particulars will be necessary. Fill in the bottom half of the Incident Information Form.)
- E : to appoint a media contact person to represent the club to inquiring media
- F : to notify the Board so that a meeting can be called if necessary

24 : According to the Wings of Carolina Flying Club Accident Procedure Manual, what determines whether an accident or incident is required to be reported to the NTSB (National Transportation Safety Board)?

- A : CFR 91
- B : Notification is necessary only if demanded by local law enforcement.
- C : Notification is required if an insurance claim will be filed.
- D : CFR 49, Part 830.5
- E : Notification is determined solely by the WCFC Chief Flight Instructor

25 : According to the WCFC Flight Standards (19) Speeds to Fly: "When flying Club aircraft, Club Flight Instructors and Club pilots should standardize on the speeds _____."

26 : consecutive Club Proficiency Checks may not be administered by _____ except by specific permission of the Club Chief Flight Instructor

27 : A Club Instructor may take off and land a Club aircraft from the right seat. If a member is not a Club Instructor, he or she may be authorized to take off and land from the right seat by whom?

A : his or her Club Instructor

B : Any Club Instructor in the course of training for the CFI certificate

C : The Board of Directors of the WCFC

D : The WCFC Chief Flight Instructor

E : A Designated Examiner

28 : According to the WCFC Flight Standards:"Club policy is to land Cessna single-engine aircraft with ___ degrees of flaps for normal landings..."

29 : A member may not schedule more than one weekend per month. (A weekend is defined as any consecutive _____ period from Friday at 1600 until Sunday at 1800.)

30 : In the event that a representative of the FAA or other government agency requests information regarding the pilot of a Club aircraft, the Club will disclose to the representative the _____ , _____ , _____ , and _____ for the pilot shown on the schedule as having custody of the aircraft at the time in question.
