Instructor : Please note the final score (subtract 3.0 points from 100 for each wrong answer) on the checkout form and file the quiz in the Pilot Records folder.

---

1 : consecutive Club Proficiency Checks may not be administered by _____ except by specific permission of the Club Chief Flight Instructor

2 : Which of the following sources is authorized by the Club as a principal source of weather information for student pilot solo flights?

A : www.aviationweather.gov

B : Pilot reports

C : AOPA flight planner

D : Flight Service (1.800.wxbrief)

E : Foreflight

3 : To act as PIC of a Club airplane the Club SOPs require:"Within the preceding _____, the Member must have satisfactorily completed a Club Proficiency Check in an airplane of a complexity level equal to or higher than that of the airplane to be flown."

4 : According to WCFC SOP VII- _____ "All Club pilots and instructors are bound to observe Club instructional programs and _____ as approved by the Board."

5 : Using the weather report listed below what operations are authorized by the WCFC SOPs for a student pilot solo flight?KTTA 181051Z 28008KT 7SM HZ OVC040 20/16 A2987 RMK AO2

A : Traffic Pattern only.

B : Practice area and traffic pattern.

C : Cross Country, practice area and traffic pattern.

D : None.

6 : STUDENT PILOTS should take special note of items marked with a _____.

7 : Wings of Carolina student pilots who have not logged flight time within the preceding _____ days may not solo in club aircraft aircraft until additional dual instruction by a Club instructor has been conducted and recorded.

8 : Student pilots who have not logged one hour of solo flight time within the preceding __ days may not solo in club aircraft until additional dual instruction by a Club Flight Instructor has been completed and recorded in the Member's record.

9 : According to the WCFC Standard Operating Procedures, the maximum authorized crosswind component for a WCFC student pilot is:

A : 3 knots

B : 6 knots

C : 9 knots

D : 12 knots

E : 16 knots

10 : Using the weather report listed below what operations are authorized for a WCFC student pilot?KTTA 180851Z 23005KT 5SM HZ OVC040 20/16 A2987 RMK AO2

A : Traffic Pattern only.

B : Practice area and traffic pattern.

C : Cross Country, practice area and traffic pattern.

D : None.

11 : The minimum fuel reserve for a Club aircraft operated by a student pilot flying solo is:

A : 6 gallons.

B : 1 hour.

C : Half tanks.

D : Depends if day or night.

12 : Using the weather report listed below what operations are authorized for a student pilot?KTTA 180951Z 23005KT 6SM BR OVC020 20/16 A2987 RMK AO2

A : Traffic Pattern only.No restrictions to student pilot solo

B : Practice area and traffic pattern.

C : Cross Country, practice area and traffic pattern.

D : None.

E : Traffic Pattern only.

13 : All club members agree to: Avoid _____ activities or the appearance of such activities with Club aircraft or members.

14 : According to the Wings of Carolina Flying Club Accident Procedure Manual, what determines whether an accident or incident is required to be reported to the NTSB (National Transportation Safety Board)?

A : CFR 91

B : Notification is necessary only if demanded by local law enforcement.

C : Notification is required if an insurance claim will be filed.

D : CFR 49, Part 830.5

E : Notification is determined solely by the WCFC Chief Flight Instructor

15 : Any pilot who has not logged one hour of flight time within __ days must be checked out by a Club Flight Instructor before flying Club aircraft.

16 : No Member may offer transportation for a profit, although a Member may accept reimbursement for actual flight costs if _____.

17 : Pre-solo standardization flights with the Chief Flight Instructor or his/her designee are _____ for all Club student pilots.

19 : The _____ accepts complete responsibility for assuring that the aircraft for the proposed flight is airworthy, legal, and safe in all regards.

20 : Club SOPs require that Club aircraft shall not be flown less than _____ feet AGL or less than _____ feet above the highest obstruction within _____ of the flight path.

21 : Smoking is:

A : allowed in Club aircraft at the discretion of the pilot in command

B : permitted only during ground operations but not in flight

C : permitted in cruise flight only if all passengers consent

D : not permitted in or within 50 ft of Club aircraft.

22 : Student pilots cannot fly solo without a specific endorsement under which of the following conditions:

A : the crosswind component is 7 knots.

B : at night.

C : the headwind component is 16 knots.

D : all the above.

23 : The minimum runway length requirement for Club aircraft is:

A : 1500 ft.

B : 2500 ft.

C : 3000 ft.

D : 3500 ft.

24 : During which of the forecast periods would WCFC student pilot solo flight be allowed by the WCFC SOPs? Assume the standard WCFC student pilot weather minima. You are flying from Hickory Regional Airport (KHKY). The available runways are 01-19 and 06-24. Both are of adequate length and otherwise suitable. The current TAF is:KHKY 020535Z 0206/0306 30009 KT P6SM OVC090FM020800 28008KT P6SM BKN080FM021400 28009G17KT P6SM BKN045FM030300 29012KT P6SM FEW045

A : 1st period 020600-020800 wind 3009

B : 2nd period 0800-1400 wind 28008

C : 3rd period 0214-03030 wind 2809G17

D : 4th period 0303-0306 wind 29012

25 : No steep turns, stalls, _____, or minimum controllable airspeed (Vmc) or any maneuver which exceeds a 45 degree bank or a 20 degree pitch may be initiated which would result in return to straight-and-level flight at an altitude below ____ feet AGL.

26 : Notification of the Flying Club that a Club aircraft has been involved in an accident or incident is mandatory. What is the best way to initiate that notification?

A : First try to contact a Club Official. Dial 919-776-2003 (the Club number), choose Option 9, and this will automatically ring the Club officers, the Chief Flight Instructor, and the Director of Maintenance.

B : Call your flight instructor. Also post a report on the "General" channel of the Wings of Carolina Slack workspace. Be careful to include your name and phone number for a return call by a Club officer.

C : First call the Club number (919.776.2003) and select Option 2, which will ring the Flight Center. Leave a message and wait for a return call from a Club officer

D : Call the Club number (919.776.2003) and continue to call until someone answers the call.

E : Send an email to "accident@wingsofcarolina.org" and state briefly the "who, why, what, and where" of the accident and your name and phone number for a response from a Club official.

27 : Expenses incurred by Members due to weather delays _____.

28 : No member may make or have pending more than ____ reservations at any time, except as approved by the Board.

29 : A member may not schedule more than one weekend per month. (A weekend is defined as any consecutive _____ period from Friday at 1600 until Sunday at 1800.)

30 : No student may operate a Club aircraft with anyone else aboard other than a _____.
